Hobo Party

The Cubs had a "Hobo Party" on 10 November 2006 and had to dress up as homeless people.

Those who arrived clean were sent out put mud on themselves!

They played "Kim's Game" where each was blindfolded and had to eat what is normally considered 'undesirable food'.

The Cubs took the plunge and ate slugs (jelly babies in water), roe or fish eggs (cooked rice in jelly) and drank stale water (flavoured juice).

Although they had fun, they learnt about the hardships homeless people experience.

It is hoped that they appreciate how fortunate they are.
